

GOLDEN STAR

Romantically sensational...

Golden Star, modern and imposing, is the best option for those who search the freshness of sea breath and the melodic sounds of the waves.

The decoration and design of the rooms are impressive indeed. Metal and marble in search of past creates a romantic travel through time.

Well designed, dreamy rooms with metal beds, marble coffee tables, handmade lamps, having breakfast in deb and the magical sunset emerge perfume and color of past times.

Available comforts and services: Reception, dining room, Wi-fi, fax service, room service and parking.
